

LIVRES. A 4 PERSONNELS

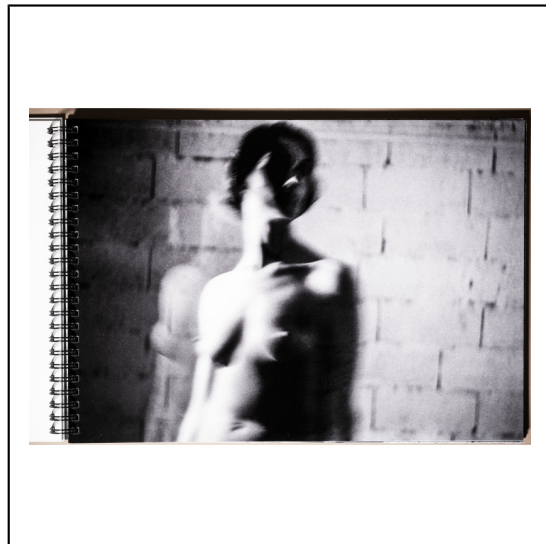

103 medias

La période du Covid ayant annulé expositions et projets de dessins en aveugle, je me suis consacré dans un premier temps à la réalisation de 20 films vidéo de 6 minutes chacun. Ayant épuisé pour le moment les sujets, j'ai entamé la numérisation de vieux négatifs argentiques, des années 1968 à 1986. A partir de ces documents jamais agrandis, j'ai fabriqué 14 livres au format A 4. Tous sont à l'horizontal, sauf ceux consacrés aux Géantes, et aux Portraits en Aveugle. La plupart sont constitués de 20 photos. Certains reçoivent des textes ou des impressions sur transparents. Pour ne pas surcharger les pages du site, j'ai choisi de ne montrer que 5 ou 6 photos et la couverture de chacun de ces livres. Septembre 2021
