# GEANTES AGILES

## 58 medias

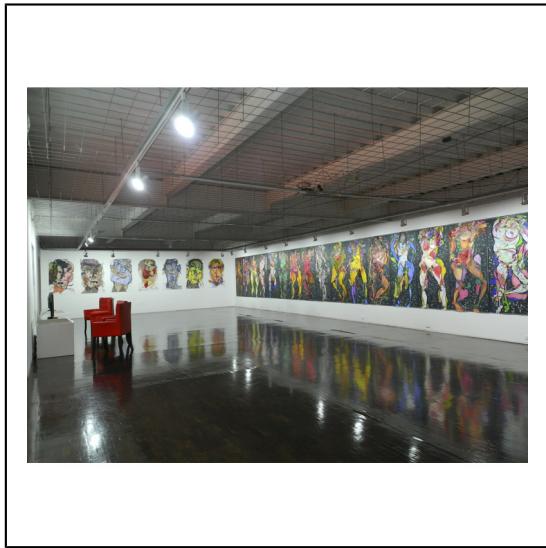

---

Comme la série précédente dite « Les Géantes », il s'agit de peintures en aveugle, par le toucher de corps de femmes partenaires, dans un grand format de 2m x 0,90 m.

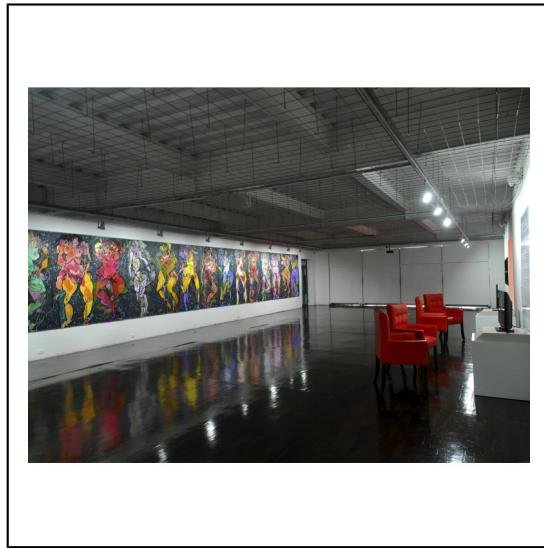

Comme pour l'ensemble du travail intitulé « Corps Aveugles », le propos n'est plus de voir pour dessiner, mais de dessiner autrement, afin de percevoir une réalité autre, d'accéder à une vérité de la personne, en laquelle souvent, celle-ci reconnaît sa propre perception d'elle même. Dans cette nouvelle série, les Géantes sont Agiles parce que saisies dans l'esquisse d'un mouvement censé les relier les unes aux autres. Six dessins réalisés par le toucher, les yeux bandés, sur six feuilles: CONTOURS, DUR, SOUPLE, CHAUD, FORMES ET DÉTAILS, CHEVEUX ET POILS.

Numérisation des dessins, vidéo projection, tracés aux feutres acryliques, peinture recto et verso aux encres acryliques,  
support: Polyester translucide / format : 200 x 90 cm / feuilles jointives / fixation par oeillets.
